

PROGRAM IBDnet TALKS 2021

Dear Colleagues,

It is our great pleasure to invite you to the 5th edition of **IBDnet TALKS**, a training curriculum for Swiss gastroenterology and hepatology fellows or experienced clinicians who want to refresh their knowledge.

5th **IBDnet TALKS** performs four training modules, consisting of state of the art lectures and interactive case-discussions. Each module is broadcasted as interactive webinar into nine centres throughout Switzerland. In addition, you may participate within this live educational training from the comfort of your home using any portable device.

You have the possibility to register for each module individually, which enables participants to access the training module slides and receiving the respective certificate of attendance and SGG core credit points.

We are looking forward to an interesting curriculum of talks.

Yours faithfully,

Stephan Vavricka
